

By participating in the We Save program, you can save energy and earn a rebate when you purchase a new ENERGY STAR® certified appliance or recycle an operating refrigerator or freezer.

### What rebates can I earn?

- ENERGY STAR Certified Refrigerator Rebate = \$25
- ENERGY STAR Certified Freezer Rebate = \$25
- ENERGY STAR Certified Dishwasher Rebate = \$25
- ENERGY STAR Certified Clothes Washer Rebate = \$25
- ENERGY STAR Certified Dehumidifier Rebate = \$25
- Recycling Bonus Rebate (Refrigerator or Freezer) = \$50

### What does it mean to be ENERGY STAR Certified?

- ENERGY STAR certified appliances will have an ENERGY STAR logo on their yellow EnergyGuide.
- ENERGY STAR certified refrigerators use 10% less energy than new, standard models and nearly half the energy as older models.
- ENERGY STAR certified freezers use 10% less energy than new, standard models.
- ENERGY STAR certified dishwashers use 12% less energy and 30% less water than new, standard models.
- ENERGY STAR certified clothes washers use 25% less energy and 45% less water than new, standard models.
- ENERGY STAR certified dehumidifiers use 15% less energy than new, standard models.

### How Do I Qualify?

- Residential customers receiving electric service from the City of Brownton are eligible for rebates when they purchase ENERGY STAR certified appliances.
- **Appliances must be on ENERGY STAR list at time of purchase. If you're unsure, have retailer confirm.**
- **To qualify for Recycling Bonus rebate, unit must be a secondary unit, in operating condition prior to removal, and proof of recycling must be provided. If unit is hauled away, retailer must certify that unit will be recycled and not resold (Step 3 of rebate application).**
- Information on rebate application must match invoice.
- Customer must apply for rebate within one year of the purchase date shown on the sales receipt.
- Rebate applications must include complete retailer and appliance information, a copy of dated sales receipt showing manufacturer and model number, and a copy of EnergyGuide label. (Exception: Dehumidifiers do not have EnergyGuide label.) Incomplete rebate applications will not be processed.
- Limit one rebate per appliance per customer account per year.
- Rebate requests are processed on a first-come first-serve basis. Annual rebate funds are limited. Rebate programs, qualifications, and amounts are subject to change at any time.
- Qualifying customers must apply for rebate by November 30, 2019.
