

The City of Brownton offers a variety of rebates to commercial and industrial customers when they purchase and install energy efficient products. Participating in the We Save Business program can help improve your bottom line by saving energy and money.

WE SAVE BUSINESS REBATES

- **Lighting Retrofit Rebate** – Earn rebates for replacing old, inefficient lighting with new energy efficient lighting. Rebate prices vary by fixture, see rebate form for details and fill out a Pre-Rebate Worksheet to get an estimated rebate.
- **Lighting New Construction Rebate** – Earn rebates for installing energy efficient lighting in new construction projects or major renovations of existing structures. Rebate prices vary by fixture, see rebate form for details and fill out a Pre-Rebate Worksheet to get an estimated rebate.
- **Variable Frequency Drive Rebate** – Earn a rebate for installing a new VFD on HVAC or non-HVAC systems, including fans and pumps. Rebate is \$40 per hp.
- **Custom Rebate** – Earn a Custom Rebate for the purchase and installation of energy efficient equipment or other measures taken to reduce energy consumption. The key is energy savings. Examples of custom projects include:
 - ✓ High volume low speed fan
 - ✓ High efficiency chiller
 - ✓ Rooftop AC unit
 - ✓ Air compressor, air leak detection
 - ✓ Refrigeration technologies
 - ✓ Assistance achieving Green Building Certification and SB2030 Standards
 - ✓ Commercial food service equipment
 - ✓ Fast acting doors
 - ✓ VFD greater than 200 hp
 - ✓ Evaporator fan motor retrofit
 - ✓ Anti-sweat heat control

Custom Rebates must be pre-approved. Contact us to find out if your project qualifies.
